## BOARDING CAMPS

The high performance training students experience in our year-round ClubSport San Ramon, Livermore Valley Tennis Club, Ohlone College Fremont and Monterey Hyatt Regency Hotel and Spa locations continues in beautiful Pebble Beach.

Students participate in more than five hours of daily tennis and fitness training throughout the camp.

Following check-in every Sunday, campers start their tennis training immediately with the serve being videotaped at 2:30 p.m. and fitness at the track to follow at 4:00 p.m. During the week, campers will cover drilling, stroke and technique in addition to movement and agility throughout the morning with afternoons focused on singles and doubles play, tactics, and point situations. All juniors are grouped by court by ability from beginner to top national level players. We also continue the weekly tradition of the highly competitive "Tompkins Cup" team competition which always provides a memorable experience for the campers.

Report cards will be distributed to students at the end of each week following the awards ceremony. The progress report will cover all aspects of the camper's training from the on-court drilling and video tape analysis to match play. For those competing in the National Clay Courts we offer specific clay court training in the weeks prior to the National Clay Courts. Regardless of skill level, this camp is focused on tennis players serious about their development!

## PEBBLE BEACH

### ALL SKILL LEVELS | AGES 9 - 18

Richard Tompkins is a renowned expert in junior tennis development with more than 25 years of coaching experience. Richard's wife Sandy serves as General Manager and directs the academy's strength and conditioning program. Richard and Sandy will personally be running the weekly Pebble Beach camps along with our year-round high performance international coaching staff.

Following intense daily training our objective is for the juniors to enjoy a fun camping experience. Evening activities such as the famous Frisbee-golf competition, horse shoes, volleyball and movie night are planned in addition to other hikes and activities at the beach.

Campers have the option to participate in the weekly kayaking trip and beach horseback ride which take place in the Monterey Bay area. The kayaking is fantastic cross-training and provides amazing wildlife viewing opportunities while the beach horseback ride offers beautiful views of the Monterey Bay. No experience is required for either activity.
