BOARDING CAMPS

The training that students experience in our year-round Bay-O-Vista Tennis Club, ClubSport San Ramon, Livermore Valley Tennis Club, Monterey Hyatt Regency Hotel and Spa, and Ohlone College Fremont locations continues in beautiful Pebble Beach.

This camp is for all levels who want to improve their tennis skills. Students participate in more than five hours of daily tennis and fitness training throughout the camp.

Following check-in every Sunday, campers start their tennis training immediately with the serve being videotaped at 2:30 p.m. and fitness at the track to follow at 4:00 p.m. During the week, campers will also have their forehands and backhands videotaped in addition to covering drilling, stroke and technique. The camp focuses on movement and agility throughout the morning with afternoons focused on singles and doubles play, tactics, and point situations. All juniors are grouped by court by ability from beginner to top national level players. We also continue the weekly tradition of the competitive "Tompkins Cup" team competition which always provides a memorable experience for the campers.

Report cards will be distributed to students at the end of each week following the awards ceremony. The progress report will cover all aspects of the camper's training from the on-court drilling and video analysis to match play. For those competing in the National Clay Courts we offer specific clay court training in the weeks prior to the National Clay Courts. Regardless of skill level, this camp is focused on tennis players serious about their development!

Campers have the option to participate in the weekly kayaking trip and beach horseback ride which take place in the Monterey Bay area.
